

## Unit 4 Social Studies Report

DUE DECEMBER 20<sup>th</sup>, 2011 Tuesday

### Weather Project

Students are to pick a type of weather (sunny, snow, rain, cloudy, hail, etc.)

Make or draw something to show the weather

Report to the class about the weather (describe it, situations it happens in, what you would wear, etc.)

Since the due date is the Tuesday before Christmas Break I will not be able to take late assignments! If it is not turned in it will result in an F.

A-Describe the type of weather in great detail, with a visual

B-Describe the weather with some accurate details and have a suitable visual

C-Describe the weather

D-Have a visual

F-If you don't do the project

Your child should be able to present the material with ease and it is recommended that they practice to become familiar with the information.
